Why

- The Oregon Fire Code requires Fire Extinguishers to be installed in most commercial businesses and facilities.
- Fire Extinguishers must be installed in location that are visible and easy to access.
- Fire Extinguishers are required to be installed in strategic locations, typically every 75 feet of travel distance.
- Most commercial occupancies require fire extinguishers with a minimum size of 2 A 10 BC.
- **Fire Extinguishers must be serviced annually by a qualified person.**

Canby Fire hosts a low cost fire extinguisher servicing on the last Friday of every month.

The cost is \$5.00 for an annual service inspection.

Additional services are available at time of inspection at discount pricing.

This service is provided by Simplex-Grinnell.
