

# Choking Dangers Are No Joke!

Rover and Freddie love to eat and play...but not at the same time. They are always careful not to leave their toys, games and snacks lying around the house because little ones can get hurt with these things. Younger children can choke very easily on things bigger kids eat and play with.

Read each sentence and complete it with a word from the box.

small

The best place to eat food is at the \_\_\_\_\_ while sitting down. Don't run, walk, play or lie down while eating.

Older kids should always keep \_\_\_\_\_ with small parts away from younger kids. Be sure to put your things away.

Chew your food well and take \_\_\_\_\_ bites. It is good manners and it is safer.

\_\_\_\_\_ are not for little kids. Put them in your piggy bank!

Never \_\_\_\_\_ or laugh with your mouth full. Save the talking and giggling for after meal time.
