

# Community Fireworks Donation Form

## 2023

Canby Fire will be sponsoring the 2022 4<sup>th</sup> of July Fireworks Display at Trost Elementary this year. Canby's own Western Display has once again agreed to be a sponsor and provide one of the best fireworks shows in the northwest. We provide this show to encourage our community to come together with their families rather than handling fireworks on their own.

The goal is to raise \$20,000. Unfortunately, due to COVID-19, our 2020 and 2021 shows were unable to happen. Because of this, those funds are being used for our 2022 show. In order to make the 2023 show possible, we are asking for donations now! Without these donations, we will be unable to have the fireworks show.

If your business decides to donate to the display, we will provide advertising for your business in social media as well as the Canby Herald as a thank you for your contribution. Please see our package list for more sponsorship opportunities.

Thank you for your consideration.
