WHAT IS FIREMED?

FireMed is an emergency ambulance membership program that helps cover the costs of medically necessary transports via ambulance. This program is not for profit, and is only intended to benefit the citizens within the Canby Fire District.

WHO DOES FIREMED COVER?

One FireMed subscription covers the entire family, which means the primary member, spouse or domestic partner, and all relatives living in the same household. Please contact your insurance provider to determine if FireMed would benefit you. Members (and each household relative) that are covered by insurance are allotted a \$500.00 credit amount per membership year. *Please note that membership covers medically necessary transports only and does not cover interfacility transfers.*
